“ Dear Dickie, Marge and Family--Trudy, Wendy, Todd and I were very saddened to learn of Carol's death. Carol was always so positive and fun to visit. Beyond that as a young woman she was a role model to me--a single woman who had carved out an exciting and important career. I will miss her.
I'm sorry I missed seeing you on Saturday but the weather prevented it.

“ Dear Dick, Marge and family, We were so sorry to hear about Carol's passing. We had a nice visit with her at Aunt Charlotte's funeral. She seemed to be doing well. We were planning on coming to the memorial service but got stopped by the snow storm. Was so looking forward to seeing you and your family! We are all well here. Kathy and Mike are doing good too. Mike lives in Indianapolis, and Kathy and I live in Brookfield. Would love to reconnect. If you get a chance, e-mail me at bakmeup54@att.net Again, our sympathy to all. Love, Cousin Barbara Kass (Normand)

“ Carol and I were members of the Wisconsin Home Economists in Business. It was a wonderful organization that worked at helping consumers succeed. What terrific contributions Johnson Wax and Wisconsin Electric did to help people use our products. Carol was such fun and so kind to help those of us that were "new" to the Consumer Affairs field. I am proud to have worked with and known her. My sympathies and prayers to her family.

“ I worked for the Canadian company of SC Johnson in Consumer Affairs and in the early years Carol was my mentor and we became good friends. Several times Carol hosted me on my trips to Racine. I will miss her. I am sorry that I am unable to attend the memorial. My thoughts and prayers are with Carol's family. Sandy Westwater
