“ Don Schweitzer, aka 'Sarge', was my supervisor in the assembly area at Racine Industries. He was fun and fair, to work for and with. If you did well, he'd give you encouragement, if you didn't, he'd expect you to do better next time. And you could meet him for a beer on Friday night at Northside Lanes after work to boot! Heaven is getting a warrior and a friend with Sarge. Thanks Sarge!
