“ Dear Cousins,

Our sincere sympathy in the passing of your Mom and Grandma. She is the last survivor of the Korpi family and surely shows the intensity for life in that family. I remember many great times at McCarthy's Beach on Side Lake, Minnesota with Ellen, Bob and all of you. We always had so much fun in that pavilion! Our sincere sympathies to all of you. Ellen was always such a sweet person. Peace be with you.

With sympathy,

Lynn (Korpi) and Terry Corradi

“ Chris--As someone from your very distant past, I am sending my sincere condolences. I do remember your mom as a very busy, caring person; since we spent time at your home while in high school together. It is so rare I get a chance to look at the Journal Times, but just happened to see this article. As we get older, there are always certain people we remember with a smile and you are one of those people.
My thoughts and prayers are with you and your loved ones at this time.
Very sincerely,
Jennifer (Brose) Adelt

“ Ellen was my dearest friend for 65 years. When we moved to Racine from the east, she was the first person to invite me for coffee after we met at Grange Ave. Meth church. We shared many hours over the years with church and studies and just having fun. I loved to make her laugh as she laughed so heartedly Covid 19 kept us apart recently but we kept in touch on the phone. I shall miss her warm responses and her caring for everyone who needed prayers. She was a dedicated mother, grandmother and friend. I will truly miss her. My deepest and sincere sympathy to all her family, My prayers and God's blessings.
