“ Rest In Peace Matt. I know your pain is gone, your soul is calm. Your vision is clear and you see no shadows. I was mad at you for your choice, and I still am but I am realizing it is mostly sadness. I envy your wisdom, your parenting, and your wittiness. There will forever be an emptiness in my heart as I remember my brother. Your kindness and humor touched my children who cried the day they found out you left. My your journey after this life be in peace.
