“ I was a home care worker for Selma. I came in the morning for breakfast and morning cares. Selma and I would sit and have a HOT cup of coffee and a piece of her favorite toast. She was always gracious and offered me some too. I helped her fix her hair(she loved the attention) and we'd sit and talk. I think of her smile often. I remember a sweet woman who loved her family! Even in her confusion. God Bless you all. You took good care of your mama. With deepest sympathy, Patty Skrzypchak
