“ As Grandpa's Private Caregiver I loved him dearly and he did me. He was such a sweet, kind, gentle, gracious grandpa. He gave me wonderful hugs, kisses, and pats on my back. He smile extra big when he'd see me in the door way. I'd fix him a large bowl of ice cream with chocolate syrup and cherries on it along with cookies. Oh he loved that. Love his bacon also. I'm so thankful and honored to have been his caregiver and will always miss him.
