“ *I only shared the last months of Angela's life as I was a co-worker at Michael's, discussing small talk in the break room. During this brief time I appreciated her beautiful kindness. To hear of this is unbelievable. May the love she showed always be with her family and all who knew her.*

“ Angie...I've said many prayers for you and I hope you got them. I'm still in disbelief. Thanks for always being so kind and loving. I'm going to always miss you, and I know you are in heaven because you have always been an Angel.

To her family, I know this is the hardest thing ever, but if you can try and be strong and keep it together for her... I pray for all of you to get through this ok...

Still doesn't feel real. Gone way too soon
