“ *Cousin Ann, you will be dearly missed. I will never forget her laugh and competitive spirit. I can still see her chasing me around Aunt Rose's back yard with her croquet mallet after sending her ball out of bounds. Those days will be with me forever. I always looked forward to her cards. Birthdays, Anniversaries, Holidays, or just to keep me posted on the Brewers, Packers or happenings in Racine/Franksville. I even received an early Christmas card from her the day after I heard the shocking news of her passing. My heart and prayers go out to Pat, Michael, Aunt Rose, Bill & Bob. I am sorry I will not be able to get there for the service but please know I will be there in spirit.*

“ *Joel and I never got to really know Ann as well as we would have liked to. We first met Ann at Bob and Joellens wedding and saw her at family functions after that. I remember Ann as always smiling when we sat around and talked at birthdays and graduations. Time has a way of slipping away from us and we always think we have tomorrow . I wish that we would have had one more Hi. Joel and Linda Eschmann*
