“ I have such a delightful, serendipitous memory of Anna!

Although her sister, Sara, and I were in the same Jefferson HS class, I had never enjoyed the opportunity to get to know--or interact with--Anna on a more personal level.

That changed about a year ago.

Heading out towards the lobby of my medical clinic in Madison, I happened to glance up and see Anna, big smile on her face, eyes sparkling, striding down the hall with her mother following. I immediately decided I wanted to stay and visit with them. While Norene was completing routine lab work, Anna and I sat in the waiting area, happily chatting away. I felt like Anna and I had been friends for years; she was so friendly, kind, and open. Anna. What a beautiful, compassionate, vibrant woman. (...and oh, how much she loved her dear Gustav!)

*Rest in eternal peace, dear Anna.*

“ I taught with Anna at Garfield School in Racine when it was an Early Childhood building. She and I were the same age and both graduated from UW-Whitewater the same year. Anna brought much fun to the program with her laugh and wonderful sense of humor. I will always remember the joy she brought to a job that was not always easy. I still use some of Anna's recipes in our old staff cookbook. Anna was a kind woman; bless her soul.

“ I was shocked to hear of Anna's passing. Anna was an active participant in SHARE a Lutheran church singles group and participated in many of its functions. A retreats at Camp Phillip, Anna enjoyed being around her friends and always was a pleasure to be there. There was one time we went inner tubing at a winter retreat where she bumped a tree. From the top of the hill you could hear her laughing and snorting. She wasn't injured but we all were plenty sore the next day. Condolences to her mother, sister Sara and all other relatives and friends.

“ *Anna was my best friend's little sister so I watched her grow up. She was always a quiet, good natured kid who rolled her eyes at us ...often. Over the years I've heard her sister and mom extoll her teaching skills and love of golf and bridge. She will be remembered and missed so much.*

“ Norene and family,  
We were so very sorry to hear about Anna. I knew Anna went into teaching but I didn't realize she got her degree in Early Childhood Special Ed.....that is where my passion still lives! We are thinking of all of you and will keep you in our prayers as you move through the days ahead.

“ Anna was a great gal! She taught my daughters math at West Ridge. We always had a good laugh about things that only teachers would get whenever we ran into one another, and she was especially nice to tell me when she was retiring so I could try for her place in third grade at West Ridge. Bless her! I know her many friends will miss her so very much.
