“ So sad and shocked to learn my cousin Ardetta is gone. Had many fun times when we were young, sleeping over and watching Creature Features at Black Hat Ranch. After many years we met again at the Pig. She was a special person with a “Can Do” attitude. My thoughts are with her friends and family.

“ I worked with Ardetta in the bakery at Piggly Wiggly about about 10 years ago. She was one of my favorite people to work with, and she also became a very close friend of mine. I love her dearly and cherish all the good times we had together. I am grateful she is at peace. I just wish I would of been able to see her before she decided to go home to heaven 😭

“ I will forever remember Ardetta for her humor, she was kind, she was looking forward to her life. She boasted about her grandkids, her eyes would just light up. I know she loved visiting the grandkids up North. I called her Ardetta, loved to scare her out of the blue, just to put a smile on her face and love into her heart. Will not be forgotten by any means and the deepest condolences to her family. RIP 🙏❤️!!!
