“ *So many childhood memories of such a wonderful women, mother and next door neighbor Mrs Dargevics was very kind to me I have many memories of standing out side and talking to her over the fence on Conrad drive in Racine she told me of her life in her home land and how she came here some were good and some were sad. But the stories were good. The Dargevics at that time had a dog by the name of Coobey Mrs Dargevics told me the name meant come here in her native tongue. I remember watching Coobey when they went on vacation and they brought me back a thank you gift. i also remember the music Mr Dargevics was good at electronics like amps and record players fixing and building. I went to school with Martin and my older cousin went to school with Atis I remember Atis and his band played for a party in our basement that my cousin had. So many memories and good ones too. My thoughts and prayers go out to the Dargevics family at this most difficult time
With much sympathy, from your former neighbor, Theresa Mitchell Peterson- (niece of Marie and John Therkelson)*

“ *I have such fond memories of your mother. One of the kindest nicest women. Her sweet unassuming personality shone through with her willingness to put her own wishes aside for others. She was a gem. Im lucky she has touched my life.*
