“ I received a call from my great cousin in Massachusetts Jerry to let me know that my father’s only brother had passed. Uncle Art was a great man. Highly intellectual, intelligent, and fine Christian. There are many things over the years that have been confusing and I wish things would’ve been different, but there are many things that we will understand in the by-and-by. I wish he could’ve seen where I am now and the terms that my family has taken. We owned three funeral homes in Indiana, and both of my sons are in the family business. God has been extremely good to me. I’m proud to be a Christensen, and proud that our bloodline continues on in a way that brings glory and honor to Jesus Christ. My thoughts and prayers are with aunt Nancy, Mark and Susie and the extended family. He was a good man. And I know his legacy is one that makes you all proud. [www.christensenfamilyfuneral.com](http://www.christensenfamilyfuneral.com) this is our website, please know that on my dad side, the family name lives on in bringing service and love to people as I know the legacy of uncle Art was very good at. I love you all. Dan

“ Art was one of the finest people I have ever known. Kindness and love shown forth out of his eyes whenever he talked with you. His love and devotion to his Savior and his wife were very obvious. His quiet manner belied his amazing intellect and he who missed this aspect of who Art was, missed a great part of him. Behind that gentle facade lay a giant of a mind and behind that great mind was an even bigger heart. We have lost a treasure.
