“ *Arthur was my first mentor out of school. I worked out of his office for close to three years. He was a brilliant man who had such an eclectic range of life experiences. He was one of kind and I am truly a better practitioner and person for knowing him. He taught me some much about working in our field, running a business, life in Racine and being a contributor to our profession and our community. We would spend hours breaking up herbs and just chatting, he had some of the best stories I ever heard. We had completely different practice styles but somehow we always found a way to meet in the middle with our viewpoints. My heart is heavy with his loss, he truly was a great person. I will miss you Dr. Arthur Shattuck, thank you sir for all you shared with me, I am a better person for it.*

“ I have only fond memories of Arthur and great respect for him. He was my neighbor across the street from me. He was one of the best father's to his boys I have ever known. Arthur was always very kind and helpful to his neighbors. The neighborhood has missed his smiles and friendly hellos for awhile. May he Rest in Peace and may his family take comfort in their memories.

“ I have known Arthur since 1975 or so and he was instrumental in bringing Traditional Chinese Medicine into my life. I am so sorry that he has left this plane but look forward to meeting him in the next. I wish him peace as well as to his family and friends he has left here. Arthur was an international traveler, a husband to Michael, father to Steven & Sam and an incredible teacher who worked fearlessly always for equality and his community. His work in Acupuncture and Chinese Herbs is something people will always remember and it is with heavy heart I bid Arthur Adieu.
