“ Occasionally I used to “spring” Barbara from Ridgewood and we would go for lunch. She LOVED tacos! I would ask where to go for lunch and she ALWAYS said “tacos”! I would worry that she would have an issue because she ate them so fast, but she was always fine. Now, my friend, may you eat tacos to your heart’s desire! We usually went for ice cream to Baskin Robbins on Hwy 20 after lunch. Butter pecan was her favorite. Miss you Barb- save me a place.
