“ I was so fortunate to be able to work with Barb and the visiting nurses.. She was a devoted nurse and a very dedicated nurse. I was always amazed at how she could manage her job and her large family and she was dedicated to her family too. We shared many discussions on how to raise girls . She always had a smile and a good word to make the day better. My most sincere sympathy to all her family. I will cherish her memory and pray for your comfort.

“ Mom was our best cheerleader and supportive in all that we did and of course of the Packers too!

Mom was always up for a travel adventure and would slow down to read all the historical signs along the way.

Mom was our role model for living a family oriented, fun filled, healthy and religious life.

Mom was our best teacher. She encouraged us to become avid readers like her and would not hesitate to correct our grammar. She taught us how to garden and can fruits and vegetables for winter. She taught us how to be thrifty and not be wasteful.

I am blessed and thankful for being able to spend many of my summers in Wisconsin and winters in California with her. I will always cherish our time together especially our mother daughter trip to Ireland 🍀!

I will continue to be adventurous like her and will slow down to read the historical signs in memory of mom. Love is Forever ❤️ Janis
