“ I remember Barry from when I was a small child. His mother, my Aunt Mary (such a sweetheart) and my grandmother were close sisters. I'm sorry for your loss.

“ Every Spring, for many years, I called Barry to pick up my tractor lawnmower for tune up for the coming summer. I always enjoyed chatting with him when he picked it up and returned it ready to go for the summer. I liked Barry a lot and I know everyone will miss him very much.

My thoughts and prayers to all of you.

I knew Barry from driving truck. I knew him as blue goose. We talked often on the cb radio. He repaired my lawnmowers and often talked trucks when we saw each other. I will miss that. My thoughts and prayers are with your family. Todd Kramer.
