“ *My condolences to all who've ever had the honor of meeting this sweet beautiful soul. My thoughts and prayers are going out to her family.*

I'll never forget the first time I met my favorite neighbor Betty, it was the first night Art and I stepped foot into what would soon be our first home as we starting our new family. We weren't even in the house for 2 minutes when Betty came flying in the back kitchen door yelling who are you and what are you doing in my friends house! Lol, I loved this lady on the spot! After she found out the house was being sold, she took it upon herself to show us everything about the house and how everything worked. She's the one that sold us our home of 30 years.

May our dear friend fly high on them well deserved golden wings, hand in hand with her beloved Eddie.

What a beautiful blessing and honor to have her as our neighbor. RIP Betty, you'll always be in our heart until we meet again.

*Sending lots of love and hugs,
Connie Hackeloer*
