George Dominguez is our son who attended MMI with Bobby. We are so sorry for the loss of your amazing son. Our son loved him like a brother and was hoping to see him this summer. We hope and pray that the cherished memories of him will comfort you and your family and bring you peace. From the video he looked very loved and supported and that is a blessing to a person. We pray He is now riding free with Jesus! We know he will be dearly missed. God bless and comfort and grant everyone peace. Jackie and George Dominguez

“ Oh Cathy-My heart truly hurts for you. I can not even begin to imagine what you are going thru. Although I never had the chance to meet Bobby I know he must have been an awesome son with you as his mom. My thoughts and prayers are with you, your family and all of his friends. May he Rest In Peace and may you find comfort knowing Bobby is up there with his dad and always in your heart.

“ It is an honor to know and meet Bobby. I can remember when he decided to go to school so far away, his mom was so worried but she knew she had to let him follow his dream. He is a wonderful young man and any mom would be proud to have him for a son. Cathy you raised a great son we all should all be proud to know him. I give you a standing ovation to you Cathy.

“ Cathy,
I am so saddened to hear the news about Bobby. I hadn't seen Bobby since he was just a little boy, but I hope he brought you much love and joy in his time here on earth, and made his mama proud. My heart goes out to you and your family.

“ *Cathy and family,*

I am so deeply sorry for your loss. Such a young innocent life taken way too soon. Be comforted in knowing that he is in a place where he can watch over you and protect you in a way that he couldn't before. He is at peace, doing what he loved to do best. He's riding his Harley along with his dad on that never ending road in Heaven!! Stay strong Cathy!!! You're in my prayers!!!
