“ I love you so much baby forever til we meet again . I wish you would have stayed with us longer but God and you had other plans . Please don't forget about us. Our boys miss you so much they love you so much ❤️ our daughter will hear tons of stories about her daddy . Our babies will never forget about their dad . Have so many good memories of you 💔💕 I don't know where to start the first day we met in Antioch how our boys clung to you so fast and fell in love with you . All the littles things you would for me and the boys to keep us smiling and happy. All the little love notes you would leave me, when you propose to me more than once wish we would have gotten married when we had the chance baby 😞. Wish I can hear your voice, feel your warmth again , wake up to your beautiful brown eyes and handsome smile of yours , so jealous of your beautiful curly hair, hearing your laughs again, feeling your kisses and hugs . Everything about you will be truly missed baby. I love u always and forever ❤️😭💋 til the day we meet again and become one again
