“ *Jennifer used to bring him to visit us and ALL staff would stop what they were doing because Brantley was there! He was such a bright light in our day. He loved all the ladies and was the cutest flirt. It was very apparent he was a very happy baby and was, and will always be, well loved. Our world stopped for a moment when we heard the news, which just shows what an impact that precious little 16 month old boy had on people, he barely knew. Our deepest sympathies are with his parents and family.*

“ *I don't know either of his parents but I followed what happened to Hunter. I am at a loss of words. Nothing anyone says will make anything better but I am sorry you had to go through this twice Joe and I pray that you can be strong enough to be able to let these boys live through you. It seems as you have alot of friends and support. RIH little Brantley.*
