“ Joe and Carmie were the first people to welcome our family to 82nd ST neighborhood! Carmie brought over some of her fabulous Italian green bean salad. They are such warm and welcoming people. The sight of Joe and Carmie walking hand in hand down the sidewalk always made my heart melt. Heaven gets one of their angels back!

“ Joe & Carmella were our neighbors before they moved to their condo. I will never forget how sweet & thoughtful she was. When we moved into the neighborhood, she brought us a fresh apple pie, hot out of the oven. I was so touched because I didn't think people still did that anymore. It was the best Apple pie I've ever had. She also gave us homemade strawberry rhubarb jam and left Easter gifts on our porch for our youngest daughter. I always enjoyed visiting with her whenever I had the chance. She was such a sweetheart and I will always cherish the memories I have of her. Rest in Peace. Lori Cairo & Family.

“ My condolences go out to Joe and the rest of the family. I am so sorry to hear about your loss. Carm was a very special, beautiful lady. She was always so full of love. Always brought sunshine into your life. Her love for the family is so beautiful. Always happy to see her grandchildren and teach them something, or sit and watch a movie with popcorn. She always had time for family, you always looked forward to your visits. I am sending you prayers to give you strength at this time of sorrow. Always hold your memories close to your heart and know she will always be with you.  
With all my blessing and Love,
