“ Keith and family, our deepest sympathies to all of you from your camping family at Monument Point Camping. We opened for the season today without Keith and Carol, we will miss her terribly! This was Carol's little piece of heaven in Door County which she enjoyed so much. We have so many great memories of time we all spent together camping. Carol was a blessing to me (Deb) after I lost my husband last July to cancer. She was a very special lady, may she Rest In Peace! We love you all!!! 😊😊😊😊😊

“ I remember Carol from AT&T. Met her in 1983 she took me under her wing. Years later 4 of us decided to go on vacation Ebbie, Cheryl, Carol and me. We were on a tour and we said we would make sure that we all stayed together and one of the days we had a subway tour and somehow we lost Carol. All 3 of us were worried. Hours later Carol shows up later and tell us she up on a rapid subway that took her to a bad part of Harlem and police officer got her a cab and sent her back to our hotel in Manhattan. Carol being Carol thought is an adventure never afraid of anything. The best vacation I ever had.

“ *Keith, Melissa, Melanie, Cameron, Michael Junior - My heart breaks at the loss of your dynamic, fun, fiercely loving cheerleader far too soon. Carol and I worked together for several years and then continued to check in regularly for lunch at Out of the Pan in Racine after her retirement. The way she approached living with purpose, optimism, and humor -- even after the unimaginable, untimely loss of Michael -- inspires me every day. I don't need to tell you how deeply she loved all of you and how proud she was in sharing your successes and accomplishments. I will miss her.*

“ My first memory of meeting Carol/Keith was on a Saturday morning. I heard a familiar bark. I had an American Eskimo and this bark was the same. I looked out my bedroom window and saw a white fluffy puppy. I went across the street to meet Carol and Keith and the puppy . That was the beginning of a great neighborly relationship for years.

“ Our fondest memories of Carol go way back to the soccer days of her son and ours. Sometimes we were the only parents sitting on the side line. Carol, my husband and I would bring our lawn chairs and our blankets. We even sat out there once when it was snowing. So very sorry for your loss Melissa. Darlene and Jim Dix

“ Oh the memories I have spending time with your family is bringing tears to my eyes. You took me in as a teenager and troubled child and gave me much needed love. You were my mom when I needed one most at such a critical time in my life. I will never forget the mornings we shared sipping coffee and as I listened to your motherly advice and giving me the guidance I so needed. Thank you for being there for me and sharing your home and your family and all the love I so desperately needed. I would not be the person I am today without your words of wisdom Carol. I wish I could turn time back and tell you how much you meant to me and how instrumental you were in helping me navigate this crazy life. I miss you and your voice of reason and the late nights we spent watching television, the coffee talks, teaching me how to balance a check book, shopping, cooking lessons, boyfriend lessons and so much more. I have treasured memories that don't appear on facebook but are forever imprinted upon on my heart.
