“ I can still remember when I was little and Grandpa always looked at me and smiled. Yeah he didn't remember me but deep down he really did. I love him with all my heart. I know he loves me too. We all know he is in a better place and a place where he can be happy again. But his smile always brighten my day. when I was sad, I always thought of his smile it made me happy that my Grandpa was happy. Now he can be later to rest now that he is happy and watch over his wife, sisters, brothers, kids, grandkids, and great grandkids.
With love,
Erica S.
