“ *To Norm and Charlotte's two children -
So sorry to read about your mom's recent passing. Your folks were lifelong friends of my parents, Lois and Bill Nelson. And, I guess before you two were born, Charlotte and Norm Bauernfeind became my godparents. I'm sorry I don't remember much about you. Although I married and stayed in Racine, my folks moved to California in the late 1960s and lived there the rest of their lives. However, I do remember about 10 years ago my dad's last visit to Racine. He was not in the best of health and neither was your dad, but he wanted to visit with them regardless. I drove him over to their house, and when I came back to pick him up, your mom had something waiting to show me which touched my heart. It was a felt Christmas stocking which my mother had made probably over 50 years which your mom had kept all these years. She was a delightful person, so full of energy and warmth even then! I know you are grieving the loss of your mom, but I know she lives on within you both.*
