“ *Bob and David,
Steven and I were so sad to read about Cheri's death. She was one of my favorites to hang with when the boys were in school and all the concerts, etc. I would love to talk to her when I picked Steven up from your house or visa versa. To me, Cheri was the picture of love. She adored both of you so very much and we were all blessed to have her in our lives. Please know, you are both in my prayers. I cannot even imagine the pain and loss you must feel. God bless you both always.*

“ I was saddened to read of Cheri's passing. Although our paths rarely crossed over the past several years I was honored to share the "Room mom title" several times with her over the grade school years while our kids Michael and David were at Gifford all those years ago. I remember her as helpful and kind and as a great Mom- always involved and backing and cheering on David. Rest in peace Cheri - Bob and David our family's prayers and thoughts are with you as well as with the rest of her family and friends.
