Dear Mom,

This world will be difficult to walk through without you but knowing you are no longer in pain and are now watching over us brings some peace. You were a fierce mama bear who would do anything for her kids and grandkids and had a gift of making people around you feel like everything will be ok regardless of the situation.

You taught us kids that no matter what goes on in life being there for each-other is what's important.

Steve will miss working in the garden with you, your long talks, contagious laugh and big blue eyes.

Rest easy mom you deserve to spread your wings and breathe easy. We love you and you will always be in our hearts.

Until we meet again, xoxox

A private family service has been held and she was laid to rest at West Lawn Memorial Park.

A special thank you goes out to the medical staff at Ascension All Saints, especially the ICU staff.
