“ I just loved him and looked up to him like a big brother.

Funny story I had Mr Mitchell as a freshman as a home Room Teacher and gym teacher in the 7th grade in 1967.

I was privileged to be assigned by him to go down to his office to bring up his gym bag after the bell rang.

When I brought it back up for no other reason besides me being one of the bigger men in the school he would commence to put on various wrestling holds while I tried to get out of them in pain.

I kept these moves that he used on me in the future in my 30 plus years working in Law Enforcement.

Bless You Mr Mitchell and may you rest in peace and if your around us sometime please give a kick which I know you will.
