“ Neighbors we are just profoundly sad for you. Collin was a sweet young man and I know Gavin enjoyed playing together with him when they were younger. Even when he'd come back home he'd always wave and smile or strike up a conversation. We are thinking of you and will continue to pray for your peace and healing. Love

“ I never met Collin, but I remember when he was born and how proud his Aunt Becky was of him. His obituary sounds like he was so much like his wonderful Grandpa Sawasky. I'm so sorry for your loss. I know that he and his grandpa are swapping hunting, fishing, jet skiing, stories, etc and are living it up in the absolute best place to ever be, in heaven with Jesus. Love and hugs to the family from Houston.

“ Collin was one of my students at 21st Century. He and I would spend time talking about World of Warcraft and other games he was playing at the time. He was a kind and caring person. He always had a smile on his face when I would see him. I was glad to keep in touch with him after he went on to high school. I am heartbroken that he is gone. I am so sorry for your loss. Your family is in my thoughts and prayers.
