He was born on August 31, 1979. Daniel was the proud owner/operator of Daniel LaBrasca Services/DSL. He was a great guy who took pride in his work, and Dan cared. When not working, Dan loved spending time with his family and friends. He loved fishing, ice fishing, pool, poker with friends, bonfires, 7 & 7's, and bargain hunting. He enjoyed inventing and creating his ideas, and "real" country music, which he would sing along with his beautiful voice.

Dan is survived by his fiancé, and love of his life, Krisa Martin; their children, Trevor (7), and Julienna (6); his mother, Caren Larsen (nee: Christensen). He is further survived by his most loved grandma, Marlyn Christensen; brothers, Joshua (Monique), and Ryan LaBrasca; uncles, Brad, Tim, and Miltie Christensen; stepfather, Dean Larsen; and sisters, Jacque (Eddy) Mills, Mandy Larsen, and Charlee Fuller; several aunts, uncles, nieces, and cousins; his dearest friend and brother Larry and Claudia Kus, Nick Hoffman, Vern Krizan, TJ (Megan) Jensen, and many other dear, close relatives, friends, and faithful customers. “ My family moved to the area last summer and found Daniel on Angie's List for repair and remodeling of our house. Daniel had us at "hello". From there, Daniel found his way into our basement, into our kitchen and bathrooms, onto our roof and into our chimney. He helped to make this our new home. We spent quite a bit of time together and came to consider Daniel our friend. He was a very hard working and extremely diligent. A perfectionist. We value the short time that we had with Daniel, sharing sandwiches and an occasional beer and watching him be an attentive dad while showing Trevor how to paint a house. Our sympathies are with you. Daniel will be missed.

“ Dan was Melanie's uncle and we met him when I was 6 months pregnant with her. At that time he didn't know me or my children and we had fallen on very, very hard times. Long story but we didn't have a car, and I didn't have a job, and I had no idea how I was going to care for my children. This wonderful man- with the help of other family members- found a car, fixed it up, and drove it all the way down to Kansas City, MO to give it to me. How incredible! This helped me and my family to get back on our feet and now we are doing great. I can't even express in words how wonderfully kind and generous of a person he was to us, but that feeling that rests in my heart says it all. He was one of the few of us that left this earth better than he found it. I didn't know him well but I know everything about him that I need to know. This world is a lesser place without him.

Thank You Rachel, well said. We talked about you often, Dan had a special part in his heart for single mothers. He was so glad to have been able to help you. I agree....but Heaven is a better place for having him now but I sure do miss him something fierce.
