“ We will miss seeing Dan at the toy car shows in Milwaukee. We always said hello and sometimes talked about what cars we had purchased. Dan was like me and my friends, we have attended these shows for years and laughed about being grownups that collected toy cars. But it is a great hobby and we all had a great time doing it. Once again Dan will be missed. My sincere condolences to his family. Eric Jensen.

“ My condolences to family and friends. I am saddened by your loss. I remember the good times we had when Dan and his Parents came over for the traditional "Christmas Lunch" served as a "Danish smörgåsbord" by my Father (Sydonias nephew). Dan was a very Cordial, soft spoken, Intelligent man, and new his automobiles very well. I wish I new him better.

I would welcome the opportunity to talk with any family member in regard to our family tree when it is appropriate.
