“ Thank you for having saved my life when we were just kids swimming at the Ramsay Park in Ramsay. The water was too deep for me near the raft and not being the best swimmer you were the only one to swim over and ask me if I needed help. Never did get your name or an opportunity to thank you, but I believe it's better late then never. Thanks for having been there. Linda, Wakefield

“ *" MY deepest condolences to David's family and Joe. David always spoke very highly of his family, and the people he worked with. Although David and I never met face to face, we became close friends over the past years. He was the kind of person that always put others before himself."*

David's life will always reach out and touch many....
