“ *David, I remember you fondly from Horlick... I always thought of you as one of the "Gentle Giants" - mostly quiet in class, but always sweet, honest and sincere. I'm sorry you were one of the many I didn't have the opportunity to see at our 50th reunion, 3 years ago, since I came in a wheelchair and was not really able to get up and get around. You will be missed by all who knew you - may you rest in peace.. Mona*
