“ I didn't know David very well but the few times that we were together he seemed so sweet and eager to visit about anything. He always had kind smile and never seemed to act disadvantaged with all of the health speed bumps in his life. We prayed so hard he could overcome this last one but God had other plans. You are in our thoughts and prayers always. Love Phillip and Kathy

“ *David was like a son to me. I will miss him. He had his share of health problems but never complained and remained quite independent. He enjoyed playing many card games and enjoyed beating me at Cribbage. I am devastated. May he RIP. God Loves You.*
