“ My dearest cousin De & I were born just about 5 months apart Her birthday May 18 & mine Oct. 12, 1941. We were always besties & used to play at Grandma Beulah's all the time! Playing hide & seek etc. My Grandma's house was usually a big mess (because we hid in all her closets) but she didn't mind at all!! We attended grade school & high school together & had some very happy times together! We did everything from scooping the loop in downtown Racine, swimming on Lake Michigan & the county pool. We also had our own fort in a secluded part of Lake Michigan's shoreline where we spent a lot of our summer vacation days! It seems whenever we wanted to do anything, we were always together (like twins would do). Even after we both got married we still tried to keep in touch, taking family trips up to Cass Lake, MN where we could catch as many fish as our nets would hold. We had many great memories up at that lake... As time went by, we would always talk on the phone at least once or twice a week just to keep in touch. As we got to be Senior citizens we started to play cards playing at each other's houses every Holiday together especially New Years Eve! De was always my bestest cousin ever & we loved being together no matter how old we got..... I will love her forever & ever and hope to see her again one day....
