“ *Deb will always be a wonderful person & dear friend, who I will miss very much. I worked with her at the Piggly Wiggly on Spring. She always was very heartfelt with a kind word & big smile. I remember a day that was going really bad for me & she asked if I was OK? I told her that I just wanted to cry. Well, she gave me a BIG HUG saying hang in there I'm here if you want to talk. You know it was just what I needed that day. I will never forget that or her. So if things are going not so great I'm sending a BIG HUG in return for hers. It helped me. Your in my prayers & just know that a wonderful person like your mom will never be forgotten. Remember all the wonderful times you spend together.*

“ Jenni, Our hearts go out to you at this very sad time. Your mom was a dear friend of ours since we were teenagers and used to work at the Pig together. Debbie was always so much fun, and she had such a positive attitude, even during her illness. No doubt you are sustained in faith and knowledge that your mom lived in a robust and full way. Each day is a gift! We are going to miss her a lot!

“ *Oh Jenny. I am sooo sorry for the loss of your mom! She sure was a great women. I have some real special memories with her. Once she pushed me, in a wheel chair, all around Starving Artist fair, after I had an accident on an inner tube, being pulled behind a boat. Just to get my ass out of the house.. Believe me, she was a trouper!!! We were stopped, every ten seconds by another person and had to give the same story over and over and over and over again!!! Lol. She was a great friend. I'm sure you will miss her to the max!!! You were both blessed with such a great relationship!! Not every parent and child get that!!! My love, praise and prayers are with you and your mom. Believe me, Sunday in church, she was lifted up!!! 🙏💕😊*
