“ Dear Sue: My name and memories go back so far I am not sure you even remember me. I am Gwenn (Stan Hicks' sister). We were good friends at about 10, 11, & 12 at Knapp. Donnie is my cousin. I was only 5 when my mother died and we moved back to Lucas. The Miller farm became a haven for us those first few years. I told Stan how Donnie always watched out for me, stayed at my side while we played games and got into other escapades. I never knew that you two married! I left the area at 16 just after graduating from Boyceville. I cried and cried over the sweet long ago memories. We don't realize until we are older how much those good memories meant. Sending you love-cherish all the beautiful memories you have. He was a good man all of his life.
