“ *I work at pleasant point. I called Donna my little clementine. She waited for me everyday. I enjoyed talking with her and spending time with her. She meant so much to me. One night she couldn't sleep she stayed out in the common area on the couch. We made a deco mesh angel together. Donna was so proud. Another day she helped me make flower arrangements for our tables. I will never forget her. She was a very special person to me..*
