

## Earl Sieverkropp

February 4, 1930 - September 22, 2023

A brilliant and kind soul has left us.

Earl Sieverkropp, 93, passed away after a short illness. Son of Earl H. and Pauline (nee: Wilke) Sieverkropp, he was a lifelong resident of Racine. Earl was a proud graduate of Wm. Horlick High School and U.W. Madison. He also served in the Army during the Korean War.

Earl married Brigitte (nee: Schroeder) in 1959. Together they raised two daughters, Karen and Kim, enjoying many happy times together including trips to the Dells, Florida, and Hawaii.

He was a lifelong employee of Twin Disc, becoming Chief Engineer and Director of Research and Development. The Lab site he helped create was his pride and joy, dubbed "Earl's Taj Mahal"

As a lifelong engineer, there wasn't anything he couldn't fix or build. Earl's happiest place was at the cottage he helped build at Eagle Lake. We all enjoyed so many summer days there – especially the two pontoon paddle boats he created.

He was compassionate and generous, supporting many charities including nature, animals, and the Native Americans. Earl was so loving to all of his animal family and friends.

We will forever miss his special apple fritters, cheesy potatoes, and lake perch.

Deepest gratitude to all of our friends and neighbors over the years.

A life celebration will be held at Sturino Funeral Home on Friday, October 6th. Visitation will be 11:00 – 12:30, service at 12:30.

Internment will be at West Lawn Memorial Park with meal at Infusino's to follow.

In lieu of flowers, you can honor Earl by giving to the charities [indianyouth.org](http://indianyouth.org) or [wihumane.org](http://wihumane.org).

“ I lived across the street from the Eagle Lake cottage from the mid 70's- mid 80's. Earl was always willing to help and share his ideas. nicest neighbor a person could ask for. My deepest condolences to his family.
