

Edward 'Eddie' Nabbefeld

December 25, 1953 - October 19, 2014

Edward Nabbefeld

RACINE- I, Edward "Eddie" Nabbefeld, passed away peacefully at the age of 60 years old at my home with my loving family by my side. I was born in Milwaukee, Wisconsin on December 25, 1953, the son of Edward and Frances (nee: Ochoki) Nabbefeld. As a youngster my parents enrolled me in the Milwaukee public school system; in which I graduated from South Division High School in 1972. After graduation, I married the love of my life, Robin Rach on November 27, 1976. We were blessed with two wonderful children; our daughter, Sharon Marie, born on June 21, 1977 and our son, William Edward, born on October 25, 1979. We relocated to Racine from Milwaukee in 1984; as I was gainfully employed at Gateway Technical College from 1982 until my retirement in 2012; servicing many aspects of the college in the mechanical field.

Our children blessed us with wonderful spouses and grandchildren in which we dearly and lovingly embrace.

I leave to cherish my memory; my loving wife of 37 years, Robin; our children, Sharon (Benjamin) Miller of Lakeville, Minnesota, our son, William (Ashley) Nabbefeld of Racine. I will miss my grandchildren dearly; Eleanore, Brandon, Gage, Rory, Riley, Jaxon, and Kane. My sisters and brothers survive me; Jeanine Graf and Debra Rodriguez both of Texas, Woodrow Boettcher of Fond du Lac and Dennis Boettcher of LaCrosse. My loving parents preceded me in my passing; Edward and Frances Nabbefeld, whom I dearly missed

over the years.

I request my service be a life celebration; not a time of sadness and mourning. I encourage light hearted conversation along with humor and laughter.

The time to remember me will be held at Sturino funeral home on Wednesday, October 22, 2014 at 6 p.m. There will be time to meet with my family and friends, two hours prior; from 4 p.m. until my service at 6 p.m. I will be laid to rest in a private ceremony with my immediate family in attendance.

In closing, please remember; that my years were joyous and my blessings many; in my final words I would like to say; I lived a good life and want everyone I had the pleasure and joy of knowing, that "I Love You All and wish you the very best, always".

“ *I just learned yesterday that Eddie had passed and would like to send my deep sympathy to his family and to all those who loved him. I worked with Eddie some years ago on the Kenosha Gateway Campus. You just could not have a bad day when Eddie was around. His wonderful , sort of dry, sense of humor could make you laugh so easily. He loved talking about his family, he sure was proud of his wife, daughter and son. I also recall a special car he brought over to the front parking lot one day to show those of us who worked in the nursing lab...he did like that car. Eddie...thank you for all the joy, fun and mechanical expertise you brought into my life. You could fix whatever was broken or just not working correctly in our lab. Your years here on this Earth were way too short, but you lived them to the fullest and you will never be forgotten. God bless you Eddie. Suzette Englund*

“ *Love you Uncle Eddie. Favorite memories are your laugh, smile and riding on the back of your motorcycle when you picked me up to babysit Sharon and Billy. As your mom/my grandma Frances always said "Never say good-bye; just say I will see you later".*

“ *Eddie,
You will be missed by many of us at Gateway Technical College.
You were always smiling, and plain and simple an all around "Good Guy" always willing to lend a hand.
Godspeed Eddie!

My favorite times with Eddie were when it was just the two of us in a work van running errands. He was absolutely hilarious, I would laugh my head off. Such stories. He was a teddy bear and a grizzly bear. I'm so glad I got a chance to see him and Ellie at work this summer. He was a man that loved his family and he will be missed.
