“ *I am a member of Pi Chapter of Delta Kappa Gamma and I only knew about Elaine through other members who spoke very fondly of her and who looked forward to singing to her at Christmas Time. I would have loved to have joined them, but it was usually when I was still in school teaching. My thoughts and prayers are with Elaine's family. Julie Trafton*

“ For many years Elaine's Delta Kappa Gamma sisters would arrange to visit her to sing Christmas Carols with her. This, for me, was always a nice start to my Christmas season and celebrations. Your DKG sisters will miss you.
