“ My sweet yet stubborn Eldon. I was blessed to have cared for you for 2 1/2 years and became your favorite caregiver. I will always cherish our trips to Wal-Mart and Dairy Queen and I'll always remember the time I came to see you in the hospital and you smiled and your eyes lit up when you said "There's my girl!" You filled some of the void in my heart when my own Grandpa passed and I kind of adopted you. May you finally be at peace and free of all ailments. I love you more than you ever knew. You'll always hold a special place in my heart!
