“ I met Francine through Group Workcamps the summer 2004, we were blessed to get to work on Francines house & to get to know this remarkable woman. Francine & her family were so kind to us workcampers and showed such a appreciation for us. When our week was up we all felt like family and even got to call Francine "Granny Franny." After the Program the night before we left Francine & her daughter came, saying I'll see you later to Francine was really hard for me cause I grew to love her. I spoke with her about a year or so ago and was hoping to see her and introduce my kids & husband to her.

*Eickhorst Family~ I will never forget Francine & the beautiful person she was. My time in Racine with her is something I will always remember & hold close to my heart. I will be praying for your family as you move forward and remember all the wonderful things about Francine.*

*God Bless You Francine & I look forward to seeing you again someday!*

*With Love*

“ *My Sympathy to Francine's family. My mom, Pat Lesniewski was a good friend of Francine and I met her when I was young. She was always so sweet and kind to me. She always had a smile and a funny story to tell. She lived a 1/2 a block away from me and I will miss seeing her in her yard and with her beloved baby. God Bless you. You are in my prayers.
