

## Frank Ray Horn

August 6, 1945 - January 24, 2020

Frank Ray Horn, 74 passed away peacefully surrounded by family on January 24, 2020 at Ascension Hospital in Racine, WI.

He was born on August 6th, 1945 to Frank and Roberta (Oost) Horn in Woodstock, IL. He married Rosie Rey on July 2, 1977 at Trinity Lutheran Church in Harvard.

Frank lived in Harvard, IL his entire life. He started working at a young age for his father at Horn's Shell Service in Harvard. When his father retired he took over management of the business for a few years. Frank enjoyed serving others by pumping gas, checking oil and washing windshields. He went on to work at Farm and Fleet, then at the Stratford Banquet Hall before he settled back into what he loved best at the Lil' Corner Store as a full service gas attendant until 2014.

Frankie was known for always being there to help, his smile and his boisterous personality. He had a sharp memory of dates and Harvard happenings. He was a family man and always enjoyed stopping to visit his aunts, uncles and cousins. He enjoyed fishing, spending time with his dog, tinkering with his truck, reading and watching TV. He took extraordinary care of his wife, Rosie during her battle with cancer. He was a loyal son-in-law, caring for his mother-in-law, Rosario Rey, whom he felt was like a mother to him too. He was an amazing father, always there to guide and save the day. He adored his grandchildren and, knowing how short life is, appreciated every

minute.

He is survived by his daughter, Jennifer Barncard, her husband Brian, their children, Nicolas and Rosie and his beloved dog, Kermit. Frank is also survived by many other family and friends including cousins and nieces. He was preceded in death by his parents, his wife, Rosie, his mother in law, Rosario and his sister, Sue Dimick.

A memorial service will be held in March at Trinity Lutheran Church in Harvard, IL. A date is still yet to be determined. His final resting place will be with Rosie at Mount Auburn Cemetery in Harvard.

Thank you to all the amazing staff at Home Harbor, The Villa and Ascension for your compassionate care for Frank. He always said “they take good care of me”.

“ Jenni and family, I send my deepest sympathy with the passing of your dad. Franki, has always been a part of my life. From early years of friendship with my brother, his stopping by the family home just to say hey to my dad, whatever. Then school years and Hospital working years with your Mom. Hospital parties, your graduation, whatever, our families were graciously invited to. I'm sure they're happy in heaven. The excitement of your birth and again close friendship with Mandy and you, and you and I working together. Just kept us like family. Franki, always smiling and pleasant, took time to speak and considerate to ask about others. You and I know He was a special man and will remain that way in our minds. May He rest in Peace. God give you and your family the grace to carry on his legacy. Love and prayers! Peggy Pierce.

“ Jennifer, sending my deepest condolences to you and your family. I had the pleasure of meeting your Dad as well as your Mom several years ago. It was just for a few brief minutes but I well remember how kind they both were and that feeling stayed with me long after that. Words cannot take away your pain but I do hope it lessens it to know neither of them will be forgotten anytime soon. May God bless you.

“ *This man was my neighbor all through my childhood. He was always very nice and would let all the neighborhood kids play on his basketball hoop! I remember us knocking on the door to ask him to move his truck so that we could play on his hoop and he always would. Have great memories of my old neighborhood. Rest in peace neighbor. thank you for your kindness*
