“ To Freda's family, my heart goes out to you. Freda was a wonderful lady and I feel blessed to have got to know her and be her caregiver for a while. She will be missed and I know she is in God's arms with Wilbur on her lap and her husband next to her. My prayers and thoughts are with you.

“ To Dan, Marcie, and the entire Post Family, We were saddened to hear about the passing of Freda. I always enjoyed her dry, witty sense of humor when she would come to the Pharmacy. Clarence and her kids were her entire life. May she rest in God's eternal light !

“ *So many memories of you Grandma. One thing that always stays in my mind is whenever we would leave from a visit you would be in the window waving as we drove away. I still hang the two ornaments we sewed from fabric scrapes on my Christmas tree every year. Mostly I think your love of God, family and animals has been passed down through the family and has shaped our lives for the better. Your love and influence will continue to be passed on in that way. I will miss you but will keep the memories and love with me always. Love you always.*

*Love,
Melissa*

“ *Freda, being the oldest daughter, was like a second mom to me. She was always so loving and caring. When she got to be in her teens she said she would never marry or have any kids. She had five wonderful children who she loved so much.*
