“ *John and I remember Gail as a friend and neighbor as we got to feel comfortable in our south side home. We had previously lived on 3-mile Rd. When our youngest daughter and I arrived home after her birth Gail was one of the first to pay a visit of welcome. She very proudly presented our new family addition with her own comb and hairbrush. We accepted the thoughtful gift with the promise that as soon as Teri grew more hair we would help her learn to use this gift. Gail's thoughtful and kind nature is what we will remember always. We send our sympathetic wishes to Gail's family that their blessings will be the many wonderful continued memories they shared in her life!*
