“ Gary John was my first cousin-his Dad and my Mom were brother and sister. I have many many wonderful memories of our childhood at Grandma and Grandpa Swiden’s in Sioux Falls, South Dakota on the Fourth of July. Later in our lives, I moved to Scottsdale, Arizona where Gary and Carol wintered in March. We enjoyed getting reacquainted, going to dinner/lunch, sitting on our patio on the golf course visiting and he would golf with my brother Jim Dyer. I will always remember these times and my sweet cousins laughter!! Rest In Peace.
Love always, Donna Faye Dyer Reagan and Michael.

ME

“ Gary was my cousin once removed. His mother, Florence Swiden, and my grandmother, Louise Berven, were sisters. I saw Gary’s family often when I was a boy until, to my disappointment, they moved from Racine to Chicago. The entire family was fun to be around; they all had the zest for life and love for people that Gary did. Eleven years older than me, Gary was unfailingly gracious to his younger cousin. I owe my love of sports in part to the sports magazines and books that he passed along to me. Since Gary inherited his father’s passion for golf, I was delighted to learn that he achieved a hole-in-one and lived many years to savor that accomplishment.
Gary was a bright, energetic man who radiated warmth whenever and wherever I encountered him. Although I saw him only occasionally in adulthood, the news I heard about him was always favorable, and I was proud to be his cousin. I will pray for the comfort of his wife, children, sister, and all who love him.

“ *Carol,
Our sincere condolences for the passing of Gary. From his days of coaching and sponsoring my softball/volleyball teams, to his frequent visits to GJM, to sharing a church, I have always enjoyed Gary's company. After Jeff and I were married, Gary, and you, welcomed Jeff as a friend. Gary will be missed.*

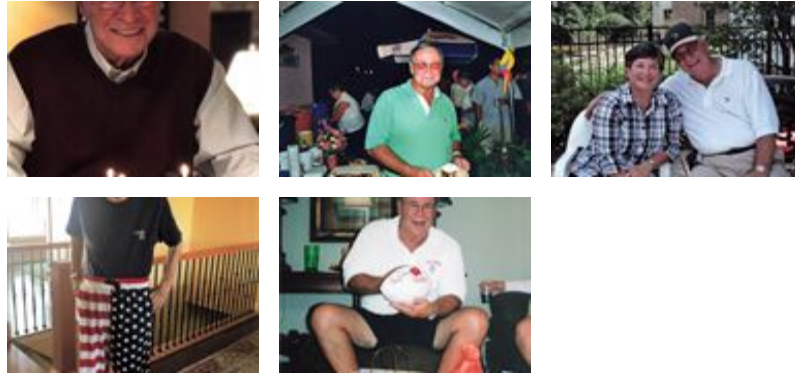

You and his family are in our prayers, and we hope that God enfolds you in His arms and that you feel his comfort.
