“ I am so sorry to hear this as I was just thinking about him and Joanne the other day! I'm sorry I heard this to late...many memories of the old St.Mary's Hospital with him. He taught me how to take xrays in surgery!! My sympathies.

“ Gene was an all time great guy. I enjoyed the time we spent together at 5th Street Yacht Club. I enjoyed listening to his stories of "earlier days" at the Club, and his historical tidbits that he would read at the meetings. He always had a smile and a laugh. You can't replace a guy like that. There will be a big hole that cannot be filled. Rest in peace Gene. Will be sadly missed by a lot of people who truly loved you.
