“ I'll always remember Uncle Bucky & Aunt Midge coming over to visit with Mom & Dad. Bucky would have his RFD radio with asking me how my Horse was doing, (I had an imaginary Horse that only Buck & I knew about) and Midge would always smother me with hugs. I always got to hang out and listen to them talk politics (guys) or Family (Women). Midge reminds me so much of my Mom, a such a sweet-loving person, easy to smile and laugh but was no pushover! Midge was just another reason why they called people from that era the Greatest generation, what a wonderful Woman who now finds her peace.
