“ To Mary Goldsworthy - daughter-in-law: When I would visit Auntie Gen, she would ALWAYS share with me that she didn't know what she would do, if you weren't in her life. The caring and giving of yourself meant the world to her. Your kindness and compassion for one another was remarkable. She loved you so very much! I want you to know that she truly appreciated everything you did for her. She thought of you as her daughter. You both are so very lucky to have had that special bond. Aunt Gen was a special, kindhearted, lovely lady. I will always be grateful for the precious time we spent together during my visits with her.
Rest in peace.... Sherry Degerman (niece)

“ *This is to Mary Goldsworthy, the most loving and devoted daughter-in-law that ever existed. I know that Gen was grateful to you until her last day as you visited every week and held her hand and never gave up on this beautiful mother-in-law she was. She was blessed to have you in her life even after losing her precious son Jack, the love of your life. My heart breaks for you Mary, Ben and Jill, and the precious great grandsons she had. Her son Jack was a gift to us all as are you Mary.*

*Sincerely,
Rob and Diane Kraft*
