Mom, I will miss you. I know I didn't really know you that well, but I am so glad that I was blessed to find you, Dad, Diane & Kim. Thank you for bringing me into the world and for loving me so much and wanting a better life for me. I'm sure it was difficult. I know that you are in heaven and are restored to perfect health and are happy. I know I'll see you when I'm called home. Love you always, Mike

Mike, I'm so glad you found us too. Mom loved you with all her heart and soul. It was not easy for her to give up her baby boy. But in her heart, she knew you would have a much better life with your parents. She always loved you. I love you.
